MAN BY YOUR STAND

WOW, what a great start to our new year! Our retreat was exceptional in so many ways...we had a great number in attendance, everyone worked hard on the new music, and I felt like we made some great progress toward learning these new songs! I so appreciate your commitment to the ministry of the Singing Men of West Texas and look forward to a great worship concert on Thursday, September 21, at Second Baptist Church in Levelland. Our time will be hosted by Michael Holster and Paton Parrish. I hope that you are making plans to attend.

As far as the rest of our schedule is concerned, we are close to getting it completed with only one date yet to fill...and that may be set by the time you receive this newsletter!

I know you will join me in expressing our gratitude to David Speegle and the wonderful people at Colonial Hill Baptist Church in Snyder for hosting our retreat! The food was outstanding, thanks to Norman and his crew. With David announcing his retirement (effective this past Sunday), we will join that congregation as they are seeking a senior pastor and a minister of music in these days. Pray, also for David and Jerri as they transition into retirement and relocate to the Dallas area to be near their two children and grandchildren...mostly grandchildren!

Let me remind you that our rehearsal time prior to each worship concert is very important as we work to learn the new music. I know you will want to make every effort to be in your place for our times of preparation as this music continues to become a part of our heart, minds, and voices.

See you in Levelland!

Todd

New Guys in the Neighborhood?

As you know, we're on the constant lookout for new guys to join our ministry. If you know some one who needs to be a part of SMWT, send me an email contact and I'll get this newsletter and a personal invite to the retreat to him.

There are guys out there... we just need you to be our eyes and ears to help us recruit them!

Send contact info to tle@fbcbrownfield.org

From Your President - Ron Davis

In the aftermath of fires, floods and massive damage the lyrics "His love endures forever" plays over and over in my mind. Each of us in West Texas knows someone who has been affected in these last couple of weeks. The outpouring of help has been beyond belief, but it will take years to put things back in order. But, "His love endures forever." As ministers of the gospel we must be the hands and feet of Jesus in these trying times.

Let me encourage you to be in Levelland on September 21st as we encourage one another. We draw strength from our fellowship and shared ministries. I look forward to our time together each month.

A special thanks to the newly retired David Speegle for hosting our rehearsal retreat and to Norman Canon and his crew for an outstanding meal and snacks.

Ron
